Angus Special Playscheme would like to remind prospective volunteers that, in working with vulnerable groups in the community, i.e. children and young people, volunteers should be reliable and concerned people as they will be operating in positions of trust and responsibility.

Angus Special Playscheme feels sure you will understand that it is, therefore, important to make appropriate checks to be quite sure that we are making the right choice of volunteers in any given situation.

Please give details of any prosecution for which you have been found guilty. If none, please state none.

Rehabilitation of Offenders Act 1974 - Advisory Note

Your attention is drawn to the fact that under the above act, you *MAY* be entitled to answer 'NONE' to the above question even if you have, in the past, been subject to criminal proceedings resulting in conviction. However, certain types of employment are excluded under the Rehabilitation of Offenders Act 1974 (Exemption) Order 1975 from the protection of the Act.
